KIA ORANA

WELCOME TO JALAPEÑOS AT CLUB RARO.

Jalapeños - Club Raro's signature restaurant.
Not a cuisine, it's a state of mind.
Fresh island flavours. Cold cocktails. Good music. Great vibes.

Always served with just a little 'island spice'.

From lazy breakfasts and long lunches to sunset cocktails, pizzas with friends and dinners that somehow turn into another round, Jalapeños is where good food, great company and island time come together.

Relax. Order what you're craving. Stay as long as you like.

GOOD FOOD. NIGHTS TO REMEMBER.

Here at Club Raro & Jalapeños, every night has its own personality...
Whether you're in the mood for a relaxed dinner, one of our famous themed buffets, live music or simply another cocktail as the sun goes down, there's always a reason to stay a little longer at Jalapeños.
Because the best holiday stories usually start with, **"Let's just have one more..."**
