COLLECTIONS WORLD COCKTAIL

Signature cocktails evoke true emotions of nostalgia, the ease of elegance and the inspiration of the unknown. By harnessing the highest quality ingredients from each indigenous location, as well as focusing on the history of each destination, I saw a unique opportunity to create a collection of individual worlds, reflected in a unique brand of signature cocktails that inspire distinctive experiences.

The Radiant Maiden 189

Like an irresistible vision in the sultry air of the Malaysian night, an Island goddess sings her siren song and pulls us in, as we escape into an oasis along the shores of the Andaman Sea and relish in a curious blend of aged rum, kaffir lime— infused agave nectar, lime juice and chili pepper. Feel the spirit of this magical island sanctuary and taste the essence of The Radiant Maiden.

Market Gimlet 189

In California, it's all about what is fresh and close to home, and the Market Gimlet is no exception. Prepared with only the freshest market ingredients at hand, this unique version of a traditional gimlet gives a new definition to refreshing, with organic cucumber vodka, muddled cucumbers, lime juice and California tarragon-infused agave. Tastes like home, even if you are far away.

Floribunda 189

Like roses of the same name, The Floribunda has many facets. With a base of gin, fresh rose syrup, citrus, pineapple, and a dash of scotch, this concoction will take you into the highlands of Scotland's most exotic locales, with floral notes balanced against the gentle smokiness of a traditional scotch.

Thai Me Up 189

A true meditation on the age-old cocktail, the gimlet breathes new life into the art of mixology. A meeting of East and West with the citrus notes of gin, the spicy essence of Thai chili and raspberry-infused agave, with fresh lime and basil garnish. One heart, one spirit, one drink for the ages.

In Fashion 189

What better way to wind down at the end of the day with your favorite cocktail or beverage. Fueled by passion to entertain and serve, over the years, being a professional bartender, he dedicated in preserving the legacy of the art and craft of cocktail mixing, with combination of his unique ideas resulting to a contemporary exquisite cocktail, vodka pineapple? Why not! Cheers.

Mayan Firefly 189

Like mystical flash patterns in the southern sky, the Mayan Firefly calls upon centuries of Mexican mythology to create a veritable take on the traditional margarita with fresh Pineapple, indigenous cinnamon-infused agave, lime and a hint of jalapeño. A true homage to the Mayan gods of Yesteryear.

Privee Cocktail 189

From the bustle of the grand avenues of Paris to the Glamorous ease of the beaches of Le Midi, the Privee Cocktail steals the scene as a new definition of French Luxury. Combine the spicy sweetness of Massenez Ginger syrup, the tangy bite of fresh passion fruit And the toasty finish of vintage bubbly, and relish in the Decadence of veritable Champagne cocktail
