# Italian Varieties

*“There is no question that Gaja is one of the most famous wineries in Italy and produces some of its finest wines. The absolutely obsessive nature of the man behind the wines, the meticulous, almost fanatical attention to detail in both the winery and vineyards, the perfectly situated plots of land used for his three iconic single vineyards and the relentless drive of the entire team work in harmony to create the pinnacle wines of Italy.*

*Sorì San Lorenzo is the most powerful, structured and masculine of Gaja's three single vineyard wines from Barbaresco. Costa Russi is always about suppleness, while Sorì Tildìn speaks to finesse above all else.”*
