We're from a rural New Zealand dairy farming town. This has shaped our philosophy towards coffee, food and hospitality. We support those with a respect for the land and who share our love for Papatūānuku (our earth mother). We want to help shape the future of our industry and surround ourselves with good people along the way. Our journey is only just beginning.

From New Plymouth to London to Auckland. It's been an amazing ride and we couldn't be happier with our new Grey Lynn home. We are humbled to be a part of this community and to support our team as a living wage employer.

All Day Every Day - everyone is welcome to enjoy this space. Use as your living room, office, studio, and sometimes even as a local eatery.

Our menu is created in the endeavour of sustainable and whole-cycle cooking. Nourish without sacrificing flavour. A dedication to provenance. Minimise waste. Our goal is to showcase the producers we work with, in the cup and on the plate. Their story is our story.
