WE COME TO YOU

Sometimes it just makes perfect sense to bring the caterer to you, wherever you are in Fiji:

- Private residences in Suva
- Corporate and Small Businesses venues
- Function halls
- Sporting Stadiums Suva
- Approved hotel/resorts

From special family gatherings, business celebrations or large sporting events, our team has travelled far and wide.

Catering at hotels and resorts will require pre-approval from the property. Written permission must be sought from the hotel first.

Additional off-site fees are applicable depending on location, distance from our Suva base, and how much equipment is required. Nothing is impossible, so ask us for a quotation if you're planning an off-site event.

ROOM, SPACE & AV HIRE

Depending on your group size, you can choose to dine in our main room or in the outdoor spaces with other guests (no extra charge), or choose a suitable room or space for more privacy.

Rates include air-conditioning, access to standard 10 amp power, dedicated butler and additional security for evening events.
