FOOD ALLERGIES

Please be advised that our chefs take great care in preparing your meals and catering for any special dietary requirements or allergen concerns you may have. However, whilst we have been able to identify which allergens are present in each individual dish in our menu our kitchen processes all of the main allergens (gluten, nuts, egg, milk, dairy, soy, sesame, sulphite, shellfish, seafood). Whilst every precaution is taken we cannot categorically state our dishes are entirely free of any identified allergen therefore the decision to order and consume is completely the responsibility of the patron.
