I’ve always been a tinkerer. I had to know how things worked, and if they didn’t I had to fix them. Then, after a long day in the shed, there’s nothing more enjoyable than great food and a cold beer with your family.

Rick’s Garage is a reflection of these obsessions. We purchased the building in 2002, then just a run-down petrol station and mechanical workshop. The family toiled hard, spinning spanners and pumping gas. Eventually, after around 10 years of doing so, our exciting dream began to take shape. Rick’s Garage was born. So enjoy a beer, grab a burger, sit back and relax.

Welcome to our Garage.
