

JANUARY 2016

Elyros is dedicated to bringing you sustainable produce. Our meats are free-range & grass fed, our greens foraged or locally farmed and our seafood fresh at its best.

We only use extra virgin olive oil from Crete, a staple in the Cretan diet.

The passionate Cretans find nothing more valuable in life than to share a meal at the table.

House marinated Greek olives	7
Fava - warm whipped yellow split peas, onion & capers	8
