

KA.01

We all have the experience of our younger days when after partying we used to end up at Moolchand paranthewala in Delhi or at Bade Miyan in Mumbai. From Richmond Road in Bengaluru to Ballygunge in Kolkata. Through the gullies of cities across India you will find legendary establishments serving the hungry at the oddest hours! Food that has remained unchanged over generations and is on every food lover's list of must eat. The list doesn't end here and as a tribute to these and many other such places, we take you on a tour to these cities in India.
