Drinks

Our family has been dedicated to wine for five generations. We celebrate life, we look after the land, and we pass on our legacy: this is our vision.

We began producing wine in Penedès in 1870, although our wine-growing roots date back to the 16th century, and we've been fortunate enough that each generation has felt the same devotion to and love for the land. Ours has been, and is, a life lived among the vines, weaving an inseparable connection to the landscapes of wine.

The wines we make today under the name Familia Torres represent a mosaic of properties that are largely historical, with wine-growing associations that reach far into the past. We know that the same lands we work today were already being cultivated hundreds or even thousands of years ago.

We feel lucky and, at the same time, responsible for ensuring that these vines and landscapes continue to speak through the wines that are made from them — honest and exuberant wines with an emphasis on elegance and a unique sense of place.

Fine Wines for that special occasion

PURGATORI 2020

In 1770 the monks of the Abbey of Montserrat settled in the els Desterrats property as penance. The area was renowned for its harsh climate and tough conditions. Their work: to cultivate the land to provide food for the diocese. Their legacy: the discovery of a new terroir and a fine wine. The legend: large barrels mysteriously disappeared. Some said that they were taken up to heaven by the angels.

Intense, beautiful cherry red colour. Seductive floral (red rose) and fruit (black cherry jam) aroma with notes of spices (clove) and exquisite undertones characteristic of the Mediterranean terroir (pine, carob, dried fruits). Warm and nervy, with a finish that is more vibrant than long.

FRANSOLA 2021

The best wines are made by listening to nature. This is why, more than 20 years ago, we picked the exceptional enclave of Fransola, a historical estate in one of the highest areas of the Penedès, to plant one of our most celebrated vineyards. The cold nights and mild days provide an excellent wine-growing climate that produces exceptional Sauvignon Blanc grapes, which are used to make this elegant and balanced wine.

Wonderful with all kinds of seafood, the wine also pairs well with grilled fish and poultry seasoned with aromatic herbs. A good match for salads and vegetable dishes too.

CLOS ACESTRAL

Vineyards have existed around Castell de la Bleda for more than 2,000 years, a wine-growing enclave in the heart of Penedès, home of Familia Torres. We are committed to the recovery of ancestral varieties to restore the viticultural heritage of Catalonia. Over time we have observed how some of these varieties not only display great enological potential but are also extremely resistant to high temperatures and drought. This is true of Moneu, an ancestral variety indigenous to Penedès. The fact that we can now add Moneu to the Clos Ancestral blend fills us with great joy.

The finesse and versatility of the wine allow for a variety of pairings with medium-aged cheeses and charcuterie, lean cuts of meat like sirloin or rump steak, and fish in cream or butter-based sauces.

FLORALIS MOSCATEL ORO

Since 1946 the Torres family has been making Floralis-Moscatele Oro, one of the Mediterranean's most characteristic dessert wines. It is made from one of the Mediterranean's most classical stocks. The Greeks called it "Anathelicon Moschaton" and the Romans "Apianae", because it attracts the bees that, from the Muscat flowers, make the delicious nectar of their honey.

Moscatele has an unmistakable aromatic perspective that is highly characteristic of its variety, with seductive floral perfumes (rose, geranium, lemon verbena). On the mouth it is voluptuous, concentrated yet light, full and with a delicate sensuality.
