OUR HISTORY

Tancred's Lounge & Bar takes its name from the historic Tancred's Mere, the original name for nearby Frensham Little Pond.

Dating back to the 13th century, these waters have long been at the heart of Frensham's rich heritage, inspiring generations with their beauty and tranquillity.

Today, that same spirit of warmth and hospitality lives on at Frensham Pond Hotel & Spa. Overlooking the Great Pond, our lounge is the perfect place to unwind with expertly crafted drinks and delicious food.

Showcasing the best seasonal British ingredients with a contemporary twist, every dish is thoughtfully prepared to make your visit truly memorable.
