### Mr Fitzpatrick Soft Drinks

All £3.75

To reduce wholesale delivery miles and single use glass and cans packaging waste, we've invested in the Mr Fitz Aqua Spritz system. This clever system filters, chills and carbonates our already delicious Welsh water to order. We can then create a myriad of lovely Mr Fitzpatrick's botanical beverages. Mr Fitzpatrick's is a fantastic North West company that's been producing delicious botanical elixirs, tonics and cordials since 1899 up in Accrington where it's been using the best ingredients and building on its temperance bar roots to produce some cracking modern flavour profiles and a 'no added sugar range'.
