Gin Bar

For 10 years, Gin has been the drinking phenomenon of Spain. They have started to distil their own and have quickly become some of the best in the world. We have one of the biggest Spanish gin bars outside of Spain. We are always adding to it, so ask about specials.

All our doubles come with a free Fevertree or Vichy Catalan tonic.

All gins come with their own bespoke garnish, in large ballon glasses over lots of ice – the typical Spanish serve. **Sgl 5.45, Dbl 9.85**
