# HafLa HafLa

2015

We started off travelling around the UK doing street food festivals

2017

Our Halloumi Fries rose to fame in Liverpool's food mecca, Baltic Market

2018

HafLa HafLa opens on the lane! And as they say, the rest is history!

## A BRIEF HISTORY OF HAFLA HAFLA

A huge thanks to everyone who has ever eaten with us, we hope to feed you for many years to come! Our food is inspired by various Middle Eastern & Mediterranean styles of cooking.

HafLa HafLa loosely means Party Party in Arabic so we want you to have a good time! We aim to source all our ingredients as local & seasonal as possible.

Everything is made in house & fresh every day.
