

## Welcome to our Tea Rooms

Our Tea Rooms were opened in 1999 as a facility for our customers; not only for those waiting for a Private Cremation but also for visitors to our award winning ornamental gardens.

The badly kept secret of our delicious home baked scones, cakes and a variety of homemade meals was soon leaked by ladies who lunch, tourists, ramblers and cycling clubs. After all, this is the BEST place in North Wales to bring your dog for lunch.

We cater for everybody here including your four-legged friends who have their very own menu.

We pride ourselves on our Homemade and locally sourced food as well as the great service our customers come to expect from us. We strive to be the very best and be the number one place to visit in the area.
