/'klyde-bilt/ n. A long-standing byword for quality craftsmanship in shipbuilding on the River Clyde. Synonymous with an era when Scotland was the world's largest shipbuilding nation and the yards on the River Clyde built the world's greatest ships. It is fitting that on the site of this Bar & Kitchen, which was once a drydock, we have revitalised the expression. Our team sources some of Scotland's produce to craft truly memorable dining experiences. Enjoy **CLYDEBUILT**.
