Born out of an appreciation for damn fine burgers & quality smoked meats, Bare Grills opened its doors in November 2014, and we haven't looked back since.

We have a dedicated & passionate team who take great pride in producing the awesome food that gets served up daily.

Everything we do is prepared fresh on site. Our burgers are hand pressed daily by us, all of our steaks are 30 day aged & locally sourced, we even make our own desserts! Our FEC smoker is in use daily to smoke our brisket, ribs & pork, and our ever changing specials menu is a testament to the passion & creativity of our kitchen team.
