

# Faillte go dtì na Beanna

The Pins, known to many as The Twelve Pins or Na Beanna Beola, was first established on this very site in the early 1800's, here in the beautiful village of Bearna.

There have been many stories told here and much subject matter created here for a story to be told.

One story has it that the old building had a curse placed upon it so the proprietor of the building would never have 'too much luck'. We have been busy proving that one wrong, while all the while creating many other stories, both serious and fun, since we opened this new version of The Pins on St. Patrick's Day in 2007.

Today's guests in The Pins are as much a mixture as ever. Locals who have come here for generations, business people, sightseers, tourists and 'regulars' – all friends who have not yet met.

Our goal is to bring you good food, good drink, good craic and the best of everything from our region. Please give us your feedback on everything as we value it very much – Your happiness and enjoyment is our pleasure.

Here's to a great time at The Pins.
