PINTS, SPIRITS & COCKTAILS
VOLUME ONE

mostly irish

For centuries, Ireland's spirit has travelled beyond its shores, shaping the world in unexpected ways. From the rhythms of bluegrass to the neon glow of Broadway, from the halls of the White House to the bright lights of Hollywood, Irish talent and resilience have left an undeniable mark.

This menu is more than just a list of drinks—it's a tribute to Ireland's global legacy, a story told through flavour, craft, and culture. Each cocktail is inspired by the people, places, and moments where Ireland has made an impact, proving that while we may be a small island, our influence is anything but small.

So raise your glass - here's to being Mostly Irish.

With Galway's soft lilt and compassion in his eyes.*

This isn't just a Breakfast Martini – it's Bella's. Inspired by the Fitzgerald family matriarch and her famous homemade marmalade, lovingly handed out in mismatched jars across Clarinbridge for over 30 years. Sweet, zesty, and full of character – just like Bella.
