# WATER

## United Kingdom

**BANYAN TREE by Waterfalls** -Still/Sparkling 40

**Tau** -Still/Sparkling 87

The Welsh word Tau means, "to be silent." Tau's chic minimalist styling in clear glass and monochromatic labeling creates a strikingly contemporary, quiet statement

**Highland Spring** -Sparkling 50

Highland Spring is a Scottish supplier of bottled water. It produces still and sparkling water at its factory in Blackford, Perth and Kinross, although despite the name this area is not within the Scottish Highlands. Its water is sourced from the Ochil Hills.

**Harrogate Spring** -Still 55

Harrogate Spring Water is a brand of bottled spring water, from Harrogate, North Yorkshire, England. Spa waters were first discovered in Harrogate in the 16th century, with water bottled in the town from the 1740s

## Fiji Islands

**Fiji** -Still 55

The water is bottled in Fiji and comes from an aquifer located in Viti Levu , the largest island in the archipelago.

# WATER

## France

### **Evian** -Still

Natural spring water, made by the French Alps

35 | 45

### **Perrier** -Sparkling

Water is a French brand of natural bottled mineral water captured at the source in Vergèze, located in the Gard department. Perrier is known for its carbonation and its distinctive green bottle.

35 | 45

### **OREEZA** -Sparkling

Known since ancient times, Orezza water was enjoyed by the Romans, who valued its Exceptional qualities

97

### **Vittel** -Still

Vittel is produced using mineral water that is sourced from the "Great Spring" in Vittel, France, and has been bottled and made available for curative and, increasingly, for commercial purposes since 1854

50

### **VELLEMINFROY** -Still

It is in an unspoiled natural site in the heart of Haute-Saone in Franche-Comté that VELLEMINFROY water is born. It draws its strength from the terroir that forges it and reveals its qualities in every sip. Its path underground gives it a subtle taste and unique mineral composition. It stands out among other mineral water thanks to its exceptional purity and balance and a neutral ph. Rich in the mineral salts indispensable to a balanced diet and a healthy body, Velleminfroy mineral water is your ideal daily companion. As well good as providing good hydration, it helps to supply the magnesium and calcium your body needs. A balanced, beneficial water, it can be consumed by everyone at all ages, from 2 years. It is particularly recommended for children and teenagers, pregnant and nursing mothers, seniors - and not forgetting athletes.

105

# WATER

## Italy

### **Dolomia** -Still/Sparkling

45

The deepest layers of perennial snows melt on the Cima Pretin mountain group at 2450 m a.s.l, causing water to slowly filter through the dolomite rock, forming an uncontaminated, ancient and huge hydrogeological basin underneath the mountain

### **Filette** -Still

45

Acqua Filette, one of the Italy's purest waters has an astonishing low level of mineral contents. It originates from the source of Guarcino, at 900 meters above sea level on the green and uncontaminated Apennine Mountains in the Lazio Region.

### **Aqua Panna** -Still

35 | 45

Aqua Panna takes its name from Villa Panna in the hills of Tuscany, where the natural spring was first discovered.

### **San Pellegrino** -Sparkling

35 | 45

San Pellegrino is a fine quality natural mineral water that flows from natural springs in Val Brembana in the San Pellegrino Terme area.

### **Sole Water** -Still

62

Sole is delicious tasting natural mineral water is celebrated in particular for its very low sodium content and for being classified as oligominerale (naturally low in minerals). It is an alkaline water that is clean tasting and slightly sweet. The Sparkling enjoys a soft and gentle carbonation.

### **Surgiva** -Still/Sparkling

45 | 55

After a long underground voyage through endless glaciers, Surgiva gushes forth from a mountain spring, in the midst of Adamello Brenta Nature Park, in the heart of the Alps.

# WATER

## Canada

### **Berg - Still**

It is an all-natural, truly virginal water with almost no trace of minerals

55

## Iceland

### **Icelandic Glacial - Sparkling**

The natural spring water of Icelandic Glacial is sourced from the legendary Ölfus Spring in Iceland. With a naturally occurring pH of 8.4 and an exceptionally low mineral content, our perfectly balanced still water is The Purest Tasting Water on Earth.

55

## Romania

### **AQUA Carpatica - Sparkling**

AQUA Carpatica comes deep from the Carpathian Mountains, an ancient land where time seems to stand still leaving only the pristine beauty of nature and history. It is the last wild forest of Europe and with no agricultural or industrial activity in the surrounding areas; it is like going back in time.
