

YE OLDE ROCK INN

SUNDAY MENU

Welcome to our village pub, often overlooked due to our hidden location just off the main road, yet we are the closest pub in walking & driving distance to 'The Roaches' rock formation. Feel free to leave your car here and go for a walk, it's only 20 minutes away.

If you're in hiking gear, relax, we are both muddy boots & dog friendly in the bar area, we only ask that you keep your four legged friend off the seats unless you have a suitable blanket or cover. You'll find water bowls dotted around the dog friendly areas of the pub. We are motorhome stopover friendly too, feel free to park up in our front carpark opposite the pub (no charge) we only ask that you use the pub each day you choose to stay.

A few things worth mentioning; (1) We are a table service pub so sit back & relax (2) We are a cash friendly pub, indeed cash cuts out the card machine fees so it helps us as a business, for any payments involving cash please go to the bar (3) Service charges are never included in your bill, here we believe it should be your choice as a customer, if you choose to leave a tip then everything will be split between all members of staff both front of house & kitchen (4) Feedback of any kind is always appreciated (5) As we are a smaller team we require food preorders for tables of 7+ (6) Thanks for your support & custom, we hope you enjoy your visit.
