THYME BISTRO

Welcome to our unique Bistro, perched above Aberfeldy, where you can enjoy a delicious locally sourced breakfast, brunch, lunch, or just a blissfully relaxing coffee with a friend.

We endeavour to showcase the best of Scottish produce with flavours and influences from around the world. Our menu changes frequently, reflecting seasonal availability of produce. We aim to buy the best fresh produce with the fewest food miles, buying local and Scottish whenever possible.

Our principle ingredients may be proudly local, but our influences are truly global, inspired by living and cooking in some amazing locations, from Southern Africa to Switzerland.
