

Z's Gourmet Selection

All our dishes are individually prepared and cooked to order in our kitchen by the most talented young team of chefs. Please note that due to the quality, preparing your food may take slightly longer than expected, so please keep this in mind when you are ordering.

The finest ingredients

Our salmon is supplied by Dunkeld Smoked Salmon. Their salmon was served to the Royal Family on several occasions, and they loved it every time! All meat used on our menu is Scottish. Scottish beef is brought direct from Scottish farms, specialising in steaks aged minimum 21 days.

If you have any questions about our dishes, wines or an interest in local knowledge, please do not hesitate to ask one of our team members.
