Please speak to a member of staff if you have an allergy and require information about the allergens in our dishes.

Please note we have taken all reasonable steps to avoid the unintentional presence of allergens however we cannot guarantee that products are 100 percent free from the 14 main allergens owing to cross-contamination. The Food Standards Agency advises that the consumption of raw or less than thoroughly cooked products of animal origin, such as meat, offal, fish and shellfish or less than thoroughly cooked burgers increase your risk of illness. This especially applies to children, pregnant women, the elderly and those with weakened immune systems.
