SUE ADDIS MEMORIAL FUND.

The Sue Addis Memorial Fund was recently launched by the Sussex Community Foundation in honour of our Mother Sue Addis. This fund will help to continue her deep commitment to the community of Brighton and Hove. Everyone at Pinocchio is proud to support the Sue Addis Memorial Fund and we hope that it will continue to help those small local charities that we are so passionate about.

In its first year the Sue Addis Memorial Fund will support charities addressing mental health and domestic violence as they were two causes that Sue cared deeply about.

The Sussex Community Foundation is inviting donations from the public to the new fund.

Donations can be made at www.sussexgiving.org.uk/sue Sussex Community Foundation is a charity that makes grants to other not-for-profit charities and community groups across East and West Sussex and Brighton & Hove.
