The Cigar Selection

AG Molinari Don Joses

BOX (11 PIECES)	1500
Single	150

This slim cigar has a charming aged leather colour, a herbaceous and spicy floral scent on the nose, while dry and an intense and persistent sensation on the palate, which makes me always dream of the Barolos of my country.

The vitola (shape) is unique of its kind: 5"½ long, 39 ring gauge.

The capa (wrapper) is part of a batch of Cuban tobacco donated to me by the President of Cuba in 1997 as a tribute for having trained and certified 10 Cuban engineers to work on North American aircrafts. The capote (binder) is a whole leaf of Kentucky from the harvest of the year 2000, while the tripa (filler) is a set of whole leaves from Pennsylvania, Dominican Republic and Nicaragua from the harvest of the year 2000, wisely positioned between them to ensure an excellent draw together with regular and continuous combustion.

The production of Don Joses cigars is limited to 40,000 pieces, all exclusively created for Blue Cigar.

AG Molinari Don Placidos

BOX (11 PIECES)	2000
Single	200

This exquisite cigar has a charming aged leather colour and a complex yet delicate bouquet of aromas. The vitola (shape) belongs to the “Perfecto” family, which is the cigar shape printed in our imagination when thinking of the characters in gangster movies from the forties and fifties.

Purposely squared at the body with head and foot shaped as an ogive, it comes in the size 6”¼ long, 54 ring gauge.

The capa (wrapper) is part of a batch of Cuban tobacco donated to me by the President of Cuba in 1997 as a tribute for having trained and certified 10 Cuban engineers to work on North American aircrafts. The capote (binder) is a whole leaf of Kentucky from the harvest of the year 2000, while the tripa (filler) is a set of whole leaves from the Dominican Republic and Nicaragua from the harvest of the year 2000, wisely positioned between them to ensure an excellent draw together with regular and continuous combustion.

The Don Placidos has a strong flavour of peach stone fruit, accompanied by a light aroma of Cuban coffee and a Dominican mahogany aftertaste.

The production of Don Placidos cigars is limited to 40,000 pieces, all created exclusively for Blue Cigar.

AG Molinari Big Lucianos

BOX (11 PIECES)	2500
Single	250

The typicality of Molinari Cigars reigns in every puff of the Big Lucianos: aromas of coffee, resin and wild cedar wood in jam blend perfectly with the delicate spicy and toasted notes present. A cigar with still scratchy and pounding vegetal oils with that ferrous flavor that is the tastiest symbol of the full bodies of the Caribbean hills tobacco farms.

This exquisite cigar has a charming aged leather colour, a strong taste and a complex of gently and savage aromas. The vitola (shape) belongs to the “Prominente” family, among the longest cigars worldwide. It comes in the size 8” long, 51/64” ring gauge.

The capa (wrapper) is part of a batch of Cuban tobacco donated to me by the President of Cuba in 1997 as a tribute for having trained and certified 10 Cuban engineers to work on North American aircrafts. The capote (binder) is a whole leaf of Kentucky from the harvest of the year 2000, while the tripa (filler) is a set of whole leaves from the Dominican Republic, Nicaragua, Pennsylvania and Peru from the harvest of the year 2000, wisely positioned between them to ensure an excellent draw together with regular and continuous combustion.

AG Molinari Special Selection

BOX (55 PIECES)

9250

My selection of the perfect trio comes in three different boxes of cigars, where I have combined my favourite tobaccos, personally selected and aged for as long as 22 years in a dedicated Caribbean mahogany climate-controlled Caveau at 17°C and 70% humidity.

During this long period of time my team of cigar experts handle all bundles of 55 sticks with extreme care and passion turning them upside down every single week, to realise a perfect homogenous distribution of all the vegetal oils along the length of each stick.

The result is a unique explosion of flavours to the nose and taste to the palate.

I therefore created a Molinari Cigar Mix unique box, containing 11 Big Lucianos, 22 Don Placidos and 22 Don Joses:

*The perfect trio. All together they are 55:
My year of birth!*

My ideal smoke? A Don Joses after breakfast, a Don Placidos after lunch and yes, a Big Lucianos after dinner!
