Fanny Talbot donated the first piece of land, Dinas Oleu, to the National Trust in 1895.

Located on the top of “the Rock” above Barmouth, Dinas Oleu provides panoramic views of this stunning area of North Wales. It is accessible through various narrow stairs, neatly nestled between the historic buildings of Old Barmouth.

Fanny Talbot’s wish was to ensure that all 4.5 acres of Welsh landscape would be protected for everyone to enjoy forever.
