At Out Lane Social, we celebrate the very best of British produce. Our head chef, Craig, and his dedicated team prioritise fresh, flavourful ingredients sourced directly from local farms, butchers, and the stunning Cornish coast. We proudly showcase and support exceptional artisanal producers, from exquisite cheeses to top-notch brews. Passionate about British steaks and sustainable seafood, we are committed to delivering a memorable dining experience that reflects the rich flavours and heritage of our local area and beyond.

Don't forget to ask about our carefully curated wine selection that features small artisan and independent wineries alongside some global favourites.
