

The White Hart Wine List

Our wine list is a labour of love & something we hold a lot of pride in. It has always been a passion of ours to have wines available that complement the food we produce & enhance your dining experience. We work very closely with James from Wine2Trade To put together a list we feel offers exciting wine & shows good value from house wines to wines from iconic producers.

The list starts with fizz to get the occasion going followed by a selection of wines we have put together highlighting a verity of styles & price. This is followed by a small cellar selection of wines we think are special. To finish there are half bottles for if you wanted a treat but a whole bottle is too much.
