

DRINKS LIST

The Debenham Lion

Est. 1463

OUR DRINKS

The Debenham Lion has offered hospitality to villagers and travellers for at least 500 years, starting life as a 'brewhouse with vats' that served the local people and workers of Debenham.

While we can't offer ale brewed using the original Medieval recipe, we offer a range of regularly changing local beers from small Suffolk breweries, including BRUHA, Earl Soham, Watts & Co, and many other craft brewers.

Our wine list is a carefully curated list, sourced by Nethergate Wines based in Bury St Edmunds, and carry an exclusively Old World wine list, so none of our excellent wines have clocked up too many air miles. This also gives us the chance to showcase some of Europe's most interesting wines.

Our spirits list also reflects our love of the local area, with a range of gins and vodkas produced in Suffolk, a range of interesting drops from around the world, and of course, some firm favourites for you to enjoy.

We're so proud to be a part of The Lion's long history, and look forward to seeing you for a drink...
