Our story begins with the origins of the much loved Bramley apple in Nottinghamshire, where a young girl, Mary Ann Brailsford, planted the very first tree in 1809. This tree can still be found in our Bramleys garden and continues to bear the fruit to this day.

Over time, this humble apple became a British culinary staple, and still is, celebrated for its perfect balance of sweetness and tartness. Like its namesake, Bramleys at The Orchard is rooted in tradition, yet inspired by modern creativity, delivering a dining experience that is both classic and innovative.
