Gluten-free options are available. For allergen information, please ask a member of staff or refer to a menu. We store, produce and display food and drink where allergens are handled, and while we try to keep things separate, we cannot guarantee that any item is allergen-free (including vegan). All items cooked in our fryers, including those without meat, share the same oil. This oil may contain traces of meat products and other major allergens due to shared preparation and cooking equipment.

The calorie information is per portion. Adults need around 2000 kcal per day.
