Welcome to Molám! Inspired by diverse regions of Thailand, our menu celebrates the Thai tradition of sharing where dishes arrive when ready and are placed in the center of the table for everyone to enjoy. This communal approach invites you to discover a variety of flavors, textures, and aromas. **Rice is the essential centerpiece that binds everything together and completes the meal.**

For two, we suggest ordering 3-4 dishes plus sticky rice or roti to share. For larger groups, please feel free to increase the order accordingly. Some dishes may be very spicy, sour, sweet, or salty on their own, also all dishes containing chilli are spicy or very spicy - please ask our staff if you need advice. Also, feel free to inquire about ingredients, allergies, or dietary restrictions. Please note that most dishes contain fish, shellfish, chilli & coriander. **A 12,5% service charge applies for groups of five or more.**
