

DELANEYS'

RESTAURANT

Welcome to Delaneys'! Our service style is probably quite different from what you are used to. We serve Small Plates, packed with flavour! Our produce is sourced as locally as possible and of excellent quality, it is something very important to us. We recommend sharing a few dishes, but of course you don't have to! Some of the Small Plates are not so small, a good tip is to start with less and then order more, Shannen & Martin Delaney.
