

THE ANTINORI *Family*

A STORY PASSED DOWN THROUGH 26 GENERATIONS

The Antinori family has been committed to the art of winemaking for over six centuries since 1385 when Giovanni di Piero Antinori became a member, of the "Arte Fiorentina dei Vinattieri", the Florentine Winemakers' Guild. All throughout its history, twenty-six generations long, the Antinori family has managed the business directly making innovative and sometimes bold decisions while upholding the utmost respect for traditions and the environment. Tradition, passion, and intuition are the three driving forces that led Marchesi Antinori to establish itself as one of the most important winemakers of elite Italian wine.
