

How to guide: Pre Orders

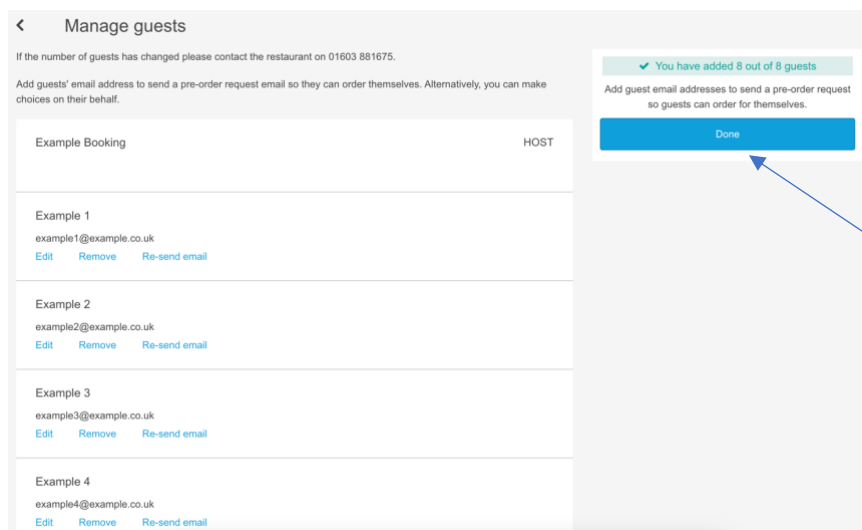

You will receive a pre-order request email, click on the 'submit your pre-order' button to begin.

Click 'manage guests'

Your name is the booking name. Enter all other guest names.

Enter each guest email address to send them a link to make their personal pre order.

Or leave email addresses blank if you have their order to input yourself.

Check guest names are correct and click done.

You can also edit/remove guests here and re send the pre order links here too.
