8 each

Crafted with Three Spirit Drinks. Functional drinks designed to lift your mood, not cloud your mind. Packed with adaptogens, nootropics, and bold botanicals, these cocktails hit different.

Pla(n)tonic

Three Spirit Livener and tonic. Bright, botanical, and booze-free - with just the right spark.

Night Owl

A slow-sipper made with Three Spirit Nightcap and a dash of Angostura (trace alcohol). Warming, spiced, and perfect for winding down - no buzz, just bliss.

Pink Voltage

Loud, zesty, and totally booze-free. Three Spirit Livener and grapefruit soda bring the buzz without the booze - sharp, juicy, and unapologetically bold.

Jungle Whisper

Tropical and a little mysterious. Social Elixir, orgeat, orange, and lime come together in this no-alc riff on a Mai Tai - rich, fragrant, and quietly untamed.

Virgin Mary

Three Spirit Social Elixir, Big Tom spiced tomato juice, and lime - bold, savoury, and satisfyingly complex.

Minted Muse

A low-alc Julep with a botanical soul. Three Spirit Nightcap, simple syrup, orange bitters (trace alcohol), and fresh mint - cool, calming, and effortlessly smooth.

Electric Lime

Sharp, citrusy, and full of buzz (without the booze). Three Spirit Livener, lime, and simple syrup - like a margarita's bold little sibling, no alcohol required.

Magic Mule

Three Spirit Social Elixir, lime, and fiery ginger beer. Earthy, aromatic, and alcohol-free - like a Moscow Mule, but with more magic and none of the vodka.
