SUNDAY ROAST MENU

FÀILTE GU TAIGH-ÒSTA A' CHOIRE

Welcome to The Corrie Hotel. Est. 1850

We're Andy and Rodger, and we're delighted you've joined us at this special hotel, that's been welcoming guests for more than 175 years.

The Corrie Hotel is owned by us – not some faceless corporation – and as villagers ourselves, we're passionate about bringing people together, being the beating heart of our community and treating our team fairly.

Everyone who works here gets a share in the profit of the business and we share all tips and service charges equally among all our team. We give over a quarter of our annual profits to island charities such as Arran Mountain Rescue and the Isle of Arran Music School.

So please, take a moment to soak in the warmth of good company, the crackle of our fire (if it's winter!), the views across to the mainland and the simple pleasure of unhurried conversation. Whether you're visiting our beautiful island or you're one of our cherished locals, we're absolutely delighted you've chosen The Corrie Hotel today.

Oh, and yes, we adore dogs! They're as welcome as any human guest (sometimes better behaved too). Just ask for our special dog menu.

Thank you.
