

COURTYARD[®]
BY MARRIOTT

OUR SIGNATURES CRAFTS

Craft cocktails are those in which every component is either unique or specially created for the drink. Drinks will be combined with homemade syrups, presented in unique glasses with custom ice cubes, and garnished with a touch of small-batch bitters. Traditional spirits may be mixed with unexpected barrel-aged liquors by bartenders to create unique drinks, along with other uncommon pairings. Cocktails that are crafted with a lot more attention than your typical beverage of choice, whether they are simple or complex, produce better and far more gratifying experiences.

Craft cocktail creation is quite similar to the artisan cuisine trend in that it emphasises flavour and premium ingredients.

Bitter and dry, but very tasty. This no namby-pamby drink is assembled and mixed directly in the glass.
