ABOUT US

A New Chapter in Taste

Château Nouveau takes its name from Newcastle in French — a fitting name for a place born from our love of this city and our love of wine.

More than a typical wine bar, Château Nouveau is a small, ever-changing library of wines and spirits, created for discovery, conversation and taking a little more time over what's in your glass.

With around 60 wines and 100 spirits in rotation, our collection evolves with the seasons.

Every bottle is carefully selected, stored and served at its best.

There is also more to discover through **Château Academy**. Ask us about something you've always wanted to know, something you've never tasted, or simply something you're curious about. We'll share the stories, flavours and traditions behind what we serve — simply, openly and without pretension.

Take a seat. Put on a record. Try something new.

Perhaps all great discoveries begin with a single sip.

Welcome to Château Nouveau.

Where every sip has a story to tell.

SERVICE & ALLERGENS

An optional **10% service charge** will be added to your bill. Please let us know if you would like it removed.

Please inform your server of any dietary requirements or allergies before ordering.

Allergen information is available on request. Due to the risk of cross-contamination, we cannot guarantee an allergen-free environment.

EXPLORE. COMPARE. DISCOVER.

Flights are a simple way to explore our collection and find out what you really enjoy. Trying three different wines or spirits side by side gives you the chance to compare styles, regions, producers and flavours, while discovering the profiles and characteristics that suit your own palate.

The idea is not simply to taste three drinks, but to help you understand your own preferences and make a more confident choice — whether you're choosing your next glass, bottle or discovering something completely new.

Our Wine, Whisky and Brandy Flights allow you to choose your own three selections, while Grand Flights give you access to a wider selection of our collection, including all wines served by the glass.

Not sure what to choose?

Ask our team — we're here to guide you.
