Riesling : 'The King of Grapes'

deserves a page all to itself, & is one of the best grapes to have with Thai food.

'The Riesling grape makes the greatest white wines in the world…

racy, nervy, risk taking wines… which improve with age….

Wine made from Riesling is quite unlike any other.

It is generally light in alcohol, refreshingly high in

fruity natural acidity, has the ability to transmit the character of a place through its extract and unique aroma'

'From one of the best vintages ever, the fully dried berries are individually picked by hand so, takes several vines to produce a bottle, residual sugar can be as high as 300g/L, but fantastic acidity to match. Notes of stone fruits, pineapple, Cebu mango, caramel and honey. Luscious, full bodied with near perfect sugar-acid balance. An absolute joy from the master of Riesling.

Drink now through 2040'.

"Cuvée Constance" Vouvray Moelleux, Domaine Huët, Loire, France 2015	€310	11.5%

'Stunning from the start, with a silky and refined feel despite the panoply of dried quince, fig, pear and apricot flavors that are exotic in nature. Lovely green tea, orange blossom and persimmon notes fill in the background. Obviously sweet, but with persistent dry almond and orange extract details that lend latent tension through the seamless and nearly endless finish. The first Cuvée Constance bottling since the 2009 vintage.

Drink now through 2060.'
