

THE APPROACH

Bar & Restaurant

Our kitchen is run by Air Culinaire Worldwide and each dish is handcrafted by their team.

Please ask your server if you require the allergen list.

Whilst every effort has been made for certain dishes not to contain nuts, we do not operate a nut free kitchen - some products are outsourced which may contain nut derivatives too.

Please note, while we take great care to prepare your meal safely, our kitchen handles allergens and we cannot guarantee dishes are completely free from traces.
