MEAT & DRINK

It started with steak. We're meat lovers, and when we discovered how hard it was to find delicious, affordable steaks in our neighbourhood, our passion found a purpose. We created restaurants that source and serve the most incredible steaks, in a setting that feels close to home, at prices that make everyone smile. We're Roxie, the people's meat local.

For the ultimate Roxie experience, we recommend one of the following carefully crafted menus...
