SMOKEHOUSE
AT THE COWPERS...

The vision for our Smokehouse Menu was to marry the British passion for BBQ's and 'Smoking' from Americas Deep South. We now have three imported American Smokers to keep pace with demand.

Sauces and rubs are vital to the Smokehouse process and Landlord Joe makes his own rubs, while Head Chef Dan uses a family recipe for the BBQ sauce. This, combined with superb meat from an independent local butcher, gives you the essence of our authentic Smokehouse.

Enjoy your Smokehouse meal and don't forget to check the Specials for any new arrivals ...
