Punch Coronation

Starts out quite spicy and settles down to a very nutty, no-nonsense tobacco smoothness. A very pleasant smoke

Romeo No.3

Spice, cedar and leather make this mild cigar a nice little treat. With a good burn and very good construction this is very enjoyable

Montecristo Open jr.

A small cigar perfect for lighting up when time is short. This size is produced for only one other Habanos, Hoyo de Monterrey, where it is called Le Hoyo du Depute. Enjoy its delicate flavour for around twenty minutes

Cohiba Siglo I

The smallest of the Siglos, an authentic appetizer. The Siglo line has permitted the Cohiba brand name to pass from tradition to modern times

Cohiba Siglo II

Though this Mareva format resembles those of its kind it has it's own character. With greater lightness, freshness and richness of flavours, this will definitely tempt the nature of those who find Cohibas too strong

Trinidad Vigia

The earthy tones throughout keep this smoke well balanced out from start to finish. Truffle notes start this cigar off which slowly develops into a nutty finish

Cohiba Robusto

As a result of its strength and excellent blend, this cigar has become one of the nine true Robustos. One of the most demanded Havanas in the market, a true gem
