

Tea Selection

Choose one of our loose leaf tea blends to accompany your afternoon tea, carefully selected for Carden Park by the tea experts at Cheshire company Tea From The Manor

English Breakfast

A classical blend of Ceylon and Assam tea, infused to perfection, one of the most popular blended teas and the most common form of tea in British tea culture. It is blended to go well with with milk, and sugar if required.

Decaffeinated

A traditional blend of classic Ceylon and Assam tea (both have been decaffeinated). Full bodied with a wonderful coppery brightness. Delivering the same fantastic taste as our English Breakfast.

Darjeeling

This popular beverage is known as the Champagne of teas. As with Champagne, Darjeeling can only be given this title if it is grown in Darjeeling, West Bengal. A fruity, floral aroma, thin bodied and lightly coloured, it is widely acknowledged to be the finest of teas.

Earl Grey Flower

Our popular Earl Grey black tea is an elegant blend of the finest quality, rich black tea leaves scented with a delicate citrus bergamot addition. This Earl Grey classic is coupled with delicate blue cornflower buds for a sophisticated, floral twist.

Camomile

Essential oils in flowers produce a soothing, pleasant aroma which gives way to a sweet, surprisingly juicy flavour of Camomile. This has a remarkable calming effect, for which it is well known.

Lapsang Souchong

Famed and sought after for its unique smoky, drawn-out flavour. This is a large leaf tea widely regarded as being amongst the best of the black Chinese teas.

Tea Selection

Chun Mee Green

An incredibly smooth tea with a subtle sweetness. It leaves a refreshing aftertaste. Chun Mee is a very popular everyday green tea from China.

Green Mint

A beautiful blend of green tea and peppermint. This hugely popular tea is famed for its refreshing virtues, with a delicate, natural mint scent.

Lemon and Ginger Infusion

Lemon, joined by ginger, creates a harmonious blend. The lemon brings a zesty zing followed by the warming spice of the ginger. Perfect for winter days, especially when you're feeling a little under the weather.

Red Berry & Rose Petals

A unique fruit blend of hibiscus, rosehip, apple pieces and orange peel rounded off with the delicate edge of rose petals. This is a delightful, aromatic afternoon drink.

Bird of Paradise

An exquisite infusion of classical black tea, flavoured with apple, exotic papaya pieces and fragrant marigold blooms, cornflower and rose petals.

Rum Arabica

Rum Arabica tea is a traditional Rooibos tea combined with cocoa cores, coffee beans, cinnamon, blackcurrants with rum flavour. Perfect for those wanting to do a boozy afternoon tea without the booze!

Fresh Mint

Fresh mint leaves steeped in hot water.

Ginger Root

Fresh ginger root steeped in hot water.
