

## The Barn Breakfast Menu

Jimmy, Michaela and the team are delighted to welcome you to The Barn Restaurant & Coffee House. Our food is freshly prepared by Head Chef Alex, and his team, using the finest local ingredients, with meat sourced directly from our farm, so you know it's been responsibly raised and cared for. We've taken steps to reduce as many imported products from our menu as we can. Instead of avocado, give our peamole a try - it's like guacamole but with a British twist.
