

LET THE TASTE DISCOVERY

beGIN

Welcome to beGIN! Our team has carefully curated a selection of over 100 gins from Scotland and around the world, each chosen for their ingredients, origins and of course, quality. We've hand-picked gins that represent the best of each region, highlighting the unique botanicals used around the world to craft our favourite spirit.

To help you select your drink, we've categorised our gins as: Scottish, classic, citrus, fruity, floral, spiced and weird (for those who want to try something a little extra!).

GIN SERVE

Our Gin Serve includes a 25ml serving of your selected gin. Use your GINtuition and add a mixer and garnish to your drink for £2.

PERFECT SERVE

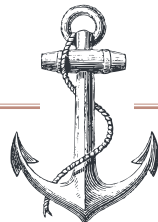

Our Perfect Serve includes a 50ml serving of your selected gin, with a mixer and garnish—either our recommended pairing or your own choice, served in a large, round, Spanish copa glass filled with ice to keep your drink perfectly chilled.
