

WINE LIST

INTRODUCTION

THERE IS A WINE FOR EVERY OCCASION & EVERY MEAL!

That's why we work closely with our wine merchant Matthew Clark as well as independent wineries to hand select only outstanding, unique & interesting wines. Ones that share our passion for quality & pair harmoniously with the flavours of chef Anthony Fielden's cooking.

In 2016 alone, our wines were awarded over 30 medals at the Decanter, IWC, IWSC & Sommelier awards!

DON'T LET WINE OVERWHELM YOU, IT IS AN ENDLESS ADVENTURE & ONE THAT SHOULD BE ENJOYED!

TNQ works with the Wine, Spirit & Education Trust to nurture and develop our team's love of wine, who are more than happy to help you with recommendations as well as food pairing suggestions.

Wines are available by the bottle and a selection in measures of 125ml and 175ml. For wines available by the glass please look for the  icon.
