

Welcome to the Swinton Park wine list

The wine list at Swinton Park has been designed to complement our cuisine. The result is a comprehensive and ever-evolving selection of wines by the bottle, and a large number of wines by the glass, which we believe offer a variety of classic favourites and also the opportunity for you to try some new and exciting flavours. Do please ask one of our staff if you would like some assistance choosing a wine, whatever the occasion.

Founded in 1772 by Philippe Clicquot and later taken over by his son's widow Barbe Nicole Ponsardin, today the Veuve Clicquot brand continues to embody the values held by Madame Clicquot: modernity and audacity blended together with an emphasis on quality and expertise that are second to none.

The Coravin system is an ingenious device that allows us to sample wine from a bottle without the wine ever knowing it has been opened. As such, we can pour a glass without having to find a home for the rest of the bottle before oxidation sets in. Please ask Tom for more information.

We at Swinton Park are delighted to offer you with the opportunity to enjoy some of our 1st Class wines without having to commit to a whole bottle. This list will be ever changing as we look to source some exceptional wines of a rare nature to offer you.
